PUBLIC VIDEO CAMERA & AUDIO POLICY

If you are attending one of our events or meetings and are going to film pictures or audio with a video camera, a mobile phone camera or other recording device you need to adhere to our policy.

You are free to record your own visit to our events for your own personal home use.

Please respect the privacy of other attendees who may not want to be filmed.

You may not record other attendees, guests, speakers or performers without their prior consent. This is the law.

Please do not bring tripods, any sort of lighting or any professional equipment without prior consent.

If permission is to be given to record you must be aware of health and safety issues.

Anyone found not adhering to our policy may be asked to leave the event.
