Pride Safe Space Policy

(Parade and Park)

The safe space has been organised by the volunteers of the LGBT Community Safety Forum 'Accessibility Matters' and developed over the past 2 years.

Please remember:

- The safe space is for INDIVIDUALS and their Carers / Personal Assistants.
- You must register in advance. You cannot register on the day.
- It is not a platform for other national or local organisations / charities to join and advertise or promote their services for free.

All organisations have had plenty of opportunity to register themselves in the parade and book stalls on the park. Anyone producing branded t-shirts, banners, flyers, goodie bags or other merchandise will be asked to leave by the stewards / security.

- We will provide a Pride T-Shirt for those who arrive unaware of our Policy on branding of other organisations.

We support all other organisations working with people with disabilities but cannot accept requests from other organisations to join us this year.
